Nathan Hale High School

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

NHHS 2020-21 Course Option Sheet SOPHOMORE

Name: _____ ID#: _____ Class of 2023

Mentorship Teacher: _____ Phone Number: _____

Please return this form to your mentorship teacher.

Review your Academic History, Graduation Checklist (see link) and current schedule, and select your courses for next year. See Online Course Catalog for course descriptions and prerequisites. <http://halehs.seattleschools.org/services/forms>

- **Be sure to choose four alternates**, as this increases your chances of getting a full schedule with the classes of your choosing. These need to be **four different courses**, not your first choices rearranged.
- Not all courses in the Course Catalog are offered each semester. The number of students who select that course, teacher availability, and budget constraints determine courses offered during the year.
- The way courses are listed below does not necessarily indicate the order or semester that courses will be assigned.
- Please consult the Course Catalog for any courses that have prerequisites or need teacher signatures and obtain those signatures prior to submitting the form.

You will notice on your option sheets that some decisions have already been made for you depending on your grade level. We schedule on a yearlong basis to ensure that you will be on track to successfully graduate from Nathan Hale with a rigorous, relevant educational experience. Therefore, the choices you make are **CRITICAL** not only to your learning but to the development of our master schedule and course offerings. When you choose a course, you are signaling not only your interest but also your commitment to complete that course to the best of your ability.

IEP and ELL students please note: Your IEP and ELL teacher will work with you to choose appropriate courses.
